

## “Moot Court is not merely a competition, it means to gain knowledge”: Legal luminaries say at the VGU event

### The 3rd Ranka Moot Court Competition concludes in VGU Jaipur

A three-day 3rd Ranka Moot Court Competition was organized by the Faculty of Law, Vivekananda Global University, Jaipur. The winner of this competition was the Punjab University team, while the runner-up award was given to Gujarat National Law University, and the Best Memorial and Best Researcher awards were given to the University Institute of Legal Studies, Punjab University. The Best Speaker award was given to Ramnarayan College of Law

Justice Anup Kumar Dhand (Rajasthan High Court) and Justice Ashok Kumar Jain (Rajasthan High Court) were present as chief guests in the closing ceremony. Former judge J. K. Ranka, along with University Chairperson Shri Lalit K Panwar, Vice Chairperson Dr. K.R. Bagaria, and

CEO Er. Onkar Bagaria, and Pro-President Prof. Santosh Kumar honored the participants. On this occasion Rajasthan High Court Judge Anoop Kumar Dhand said that “I got the opportunity to judge the participants and the way the participants presented their talent and knowledge was tremendous.. The legal profession is safe in young hands.” Former Justice LC Ladu said that success can be achieved through continuous effort and hard work as, there is no short cut to it. The legal profession will have to create its own identity. Chief Guest, Honorable Justice Shri Ashok Jain, said that AI has already started in the legal field. The legal sector is also not untouched by modern technological development. founder of the university, K. R. Bagaria, said that every day is a day of learning in the legal profession. Be it a judge or a lawyer, everyone's first duty should be to ensure timely justice for the victim through their reputation and honesty. In the inauguration

of this three-day VGU Ranka National Moot Court Competition commenced on February 24. The chief guest, former Supreme Court judge Dinesh Maheshwari, inaugurated the moot court. On this occasion, former Rajasthan High Court Justice Prashant Kumar Agarwal, former Madras High Court Chief Justice Nagendra Kumar Jain, and Rajasthan High Court Advocate General Shri. Rajendra Prasad were present as special guests. In his address at inaugural function, Honorable Justice Maheshwari inspired the students and said that any law has significance only if it is capable of providing timely, cheap, and easy justice to the needy or the complainants. Justice (Retd.) Nagendra Kumar Jain, said that moot court competitions are a rich source of knowledge and added that such competitions help students in their field. Shri Ranka explained in detail the

importance of the moot court competition. University Chairman Dr. Lalit K. Panwar said that this will provide a better opportunity for students to increase their legal acumen and logical ability, CEO Er. Onkar Bagaria, said that every day is a day of learning in the legal profession. Be it a judge or a lawyer, everyone's first duty should be to ensure timely justice for the victim through their reputation and honesty. Pro-President Prof. Santosh Kumar said that in recent years, organizing moot courts has become an important part of the legal education curriculum in law institutions not only in India but also in Asian countries.

### VGU Leadership Speaks

“Vivekananda Global University (VGU) is devoted to academic excellence and character development. We echo Swami vivekananda's timeless call to 'Arise, Awake, and Stop not till the goal is achieved.'. Vivekananda Global University has always been a trailblazer in setting high standards for innovation and global education”

**Dr. K. R. Bagaria**  
Vice Chairperson, VGU

“We are committed to providing education that transcends traditional boundaries. VGU has created a well-established innovation and entrepreneurial ecosystem on the campus, fueled by three dedicated incubation centers and two impactful schemes that empower students to tackle pressing challenges with creativity and determination.

**Dr. Lalit K. Panwar**  
Chairperson, VGU

“University has been imparting world-class education and ensuring the holistic development of the students with the help of quality infrastructure, including the latest ICT, well-equipped & modern laboratories and classrooms, state-of-the-art studios, and IT-enabled enriched library, to name a few. VGU is a truly global university with more than 7500 students from almost all states of India and 16 other countries pursuing their education in different streams.”

**Er. Onkar Bagaria**  
CEO, VGU

# DEGREES IN THE HANDS, SMILE ON THE FACES

**- A total 1252 students were awarded degrees.  
- 92 meritorious students received 40 gold medals, 27 silver medals, and 25 bronze medals.**

Vivekananda Global University, a NAAC A+ accredited institution, organized its 7th Convocation on 28 January, 2024. The chief guest of the ceremony was Rajasthan Vidhan Sabha speaker Shri Vasudev Devnani. A total of 1252 students were awarded degrees, of whom 92 military students received 40 gold medals, 27 silver medals, and 25 bronze medals.

On this occasion, Shri Devnani emphasized that learning is a continuous process, and individuals learn throughout their lives. He added that the hard work and dedication of the teachers go a long way in shaping the future of the students. Shri Devnani lauded the role played by Vivekananda Global University in maintaining high standards in education and helping in molding the young graduates to contribute to the development of society and the country. Students are embarking on a new life after receiving education at VGU.

## Education as a Powerful Agent of Social change- Devnani

**Honored by the presence of Mr. Vasudev Devnani, Vidhan Sabha Speaker, at VGU Jaipur's 2024 convocation. A day of achievements, memories and shared inspiration.**

The president of the university, Prof. Vijay Vir Singh, said that the convocation ceremony is taking place on a very auspicious day. National Youth Day is the birth anniversary of Swami Vivekananda, whose ideas are being followed by the VGU family: Arise; Awake; and Stop Not till the goal is achieved.

VGU's Chairperson, Dr. Lalit K. Panwar, said, "Today's Convocation is a testament to our unwavering commitment to providing education that transcends traditional boundaries. He said that VGU is a truly global university with more than 7500 students from almost all states of India and 16 other countries pursuing their education in more than 97 career-oriented programs at UG, PG, and Ph.D Levels.

Dr. K.R. Bagaria, Vice Chairperson of VGU, said that this convocation undermines our commitment to academic excellence and character development. As we send forth a new cohort of graduates, we echo Swami Vivekananda's timeless call to 'Arise, Awake, and Stop not till the goal is achieved.' Our graduates, equipped with knowledge and resilience, are poised to make meaningful contributions to the world.

CEO of the university, Er. Onkar Bagaria, said that keeping in mind that education and research need to evolve and diversify continuously to match the requirements of professional and social evolution for developing a country like India and fulfilling our Prime Minister's Vision of "Viksit Bharat", He stated that VGU always encourages students to understand and meet social responsibilities along with their academic objectives.

"Vivekananda Global University (VGU) believes in providing education focusing on character building, strengthening the mind, and self-confidence, and expanding intellect in students. It focuses on the overall development of its students and encourages the students to participate in interdisciplinary student club activities, games, and sports. While academic initiatives are a high priority at VGU, the university remains committed to making the educational experience of its students multifaceted."

*Prof. (Dr.) Santosh Kumar,  
Pro-President, VGU*

It is a matter of great pride for Vivekananda Global University to bring out the News Letter released from the Department of Journalism and Mass Communication. The University has made tremendous progress in all areas, particularly in academics, capacity building, start-ups, projects and consultancy. The University has achieved many milestones which you are going to witness in this letter. I am confident that this issue of News Letter will send a positive signal to the stakeholders who are interested in the activities of VGU. I congratulate the Editorial Board of this News Letter who have played wonderful role in accomplishing the task.

*Prof. (Dr.) D. V. S. Bhagavanulu  
Pro-President, VGU*

## Radiant smiles and joyous moments

**"Celebrating academic triumphs at the 7th Convocation of Vivekananda Global University, Jaipur, as students receive their degrees from the esteemed Mr. Vasudev Devnani, Vidhan Sabha Speaker.**

“Honoring tradition, fostering unity, and igniting the spirit of the indigenous youth”

**Adivasi Yuva Adan Pradan Karyakram:** Honored to host Deputy CM Dr. Prem Chand Bairwa at the closing ceremony of the 15th Adivasi Yuva Adan Pradan Karyakram at VGU, Jaipur. A moment of shared commitment to empowerment and progress. Vibrant vibes and tribal pride at VGU Jaipur's 15th Adivasi Yuva Adan Pradan Karyakram. Honoring tradition, fostering unity, and igniting the spirit of the indigenous youth.

### The Foreign Placement & Internship

A drive by corporate HR a JW Marriott Mauritius at VGU Jaipur has triumphantly concluded. Thank you to all participants for making it a success. Stay tuned for the next chapter of global opportunities

### "Navigating the Road to Safety: VGU's Students Lead the Charge for Safer Streets"

In a vibrant display of community spirit and proactive engagement, Vivekananda Global University (VGU) recently took to the streets with a mission: to make roads safer and spread awareness about traffic rules. With road accidents posing a significant challenge to India's progress, VGU in collaboration with the government, orchestrated a dynamic on-road guidance activity that captured the hearts and minds of all involved.

The streets of 7 Number and NRI Junction Road became the canvas for this remarkable initiative, as students from VGU's National Social Service (NSS) Club, Path Saarthi (Road Safety) Club, and Ranger and Rover Club joined forces to tackle the issue head-on. Divided into teams of ten, these enthusiastic students embarked on a mission to manage traffic intersections and educate the public about the importance of adhering to traffic rules. VGU's students, armed with smiles and a sense of purpose, they gracefully maneuvered through the bustling streets, guiding pedestrians and motorists alike with cheerful enthusiasm. Their approach was not just about enforcement.

# VGU's two NCC cadets represented Rajasthan in the Republic Day Parade

It's a matter of pride and honor for all of us that our two NCC cadets, Sargent Kanishk K Sharma and Cadet Manish Singh, 2nd year B.Tech.-CSE, got selected for the Republic Day parade. After passing strict selection and rigorous training processes, they were selected for the 75th NCC Cadets Sargent Celebration (RDC-2024, New Delhi) and represented our university as well as the Rajasthan Directorate in the NCC parade at Rajpath, New Delhi. On this occasion, they had the privilege of meeting with the Prime Minister, the President, and other dignitaries from the Indian defense forces. This prestigious opportunity was the result of rigorous training leading to their final selection. The Vice Chairman of VGU, Ms. Malvika Dudi Bagaria, felicitated both the NCC cadets.

VGU NCC excelled at the NCC 10 Days CATC Camp in Paghi. Activities ranged from Aeromodelling to Shooting, Sports, and Cultural events. Notable victories include Saksi's Bronze in 800m, Sidhant Arya's Gold in 800m, Anuj Kumar's Gold in 200m, and Utkarsh Singh's Bronze in 200m. The camp emphasized teamwork and leadership skills, enhancing the cadets' overall development, A testament to their commitment and sportsmanship!

## Milestone Achieved by Deepika Jangid of VGU

### Even Eluded Bollywood Superstar SRK : Cracking the SSB “A career in the defense forces promises you to be a winner for life.”

**Ms. Malvika Dudi Bagaria, Director, FOM felicitating Under Officer Deepika Jangid**

In many of his interviews, Bollywood Superstar SRK has very candidly admitted that he always wanted to join the Indian Army, and his greatest remorse to this day is his inability to crack the SSB. By donning the Armed Forces uniform, you become a winner for life!!

A feat achieved by none other than our very own VGUite Under Officer (U.O.) Deepika Jangid, who has joined the Indian Navy. What makes her so special? While she may appear to be an ordinary individual like

the rest of us, she is certainly a cut above the rest. A career in the defense forces promises one of the most prestigious and respected positions in the country. Youngsters who aspire to choose a career of excitement, adventure, and challenges can find no better place than defense to meet all their professional expectations. The Indian Armed Forces, managed by the Ministry of Defense, consist of four professional uniformed services: the Indian Army, Indian Air Force, Indian Navy, and Indian Coast Guard.

The Indian Armed Forces symbolize the ideals of service, patriotism, and the composite culture of the country. Recruitment to the Armed Forces is voluntary and open to all citizens of India, irrespective of caste, class, religion, and community, provided the laid-down physical, medical, and educational criteria are met.

The UPSC recruits the Commissioned Officers in the Armed Forces by conducting mainly the two All India Competitive Examinations, viz., the National Defence Academy (NDA) and the Naval Defence Academy (NA). For engineering undergraduates, there is another entry as a Short Service Commission (Technical) entry. The Army offers both permanent and short-service commissions. The Permanent Commission (PC) is granted through the Indian Military Academy (IMA), Dehradun, and the Short Service Commission (SSC) is granted through the Officers Training Academy (OTA), Chennai.

When you opt for 'PC', you are basically looking at a permanent career in the Army, a career till you retire. SSC is a wonderful option for all those of you who aspire to serve it for a few years.

The Indian Army is not just a career; it's a way of life. As a prospective, eligible candidate, all of us VGUites have aspirations and dreams of what our education will finally yield. If you are looking for a fat pay packet, a corporate job is the answer. But above and beyond this should be the question of what the job offers in totality.

The Armed Forces offer humongous opportunities for youngsters seeking professional advancement, job satisfaction, job security, economic stability, social status, quality of life, variety, and adventure.

The competition in the Armed Forces is clean and devoid of any other factor but competence. And, to top it all, there is no reservation. The Indian Army is the only organization that can take

you to places where you cannot go, even after becoming a billionaire. Moreover, the day you get commissioned as an officer in the Armed Forces, you become a Class I (or Group A) Gazetted Officer. Only then do you understand why no Army officer can resist crooning or shaking a leg to the renowned song by the British rock band Status Quo, 'In the Army Now', as you actually 'Become the Hero of the Neighbourhood'; and thereby, the most eligible bachelor in the town.

Every organization has its positives and negatives, and the Indian Army is no exception, but then it's your own perspective that matters, whether you are looking at it as a glass half full or half empty.

Now you decide: Do You Have It in You or Not? If you have it, then prepare well and go for it. If Deepika Jangid can break the glass ceiling, so could you.

**By Col. Adhir Mathur (Retd)**

# Republic day was celebrated with a spirit of devotion toward national unity and integrity

## VGU Vice Chairperson Dr. K.R. Bagaria unfurled the National Flag

**Republic Day celebration:-**This Republic Day celebration that echoes the strength of our diverse nation. Pride moment for the participant who joined the parade to march towards celebrate the 75th Republic Day parade.

75th Republic day was celebrated with a spirit of devotion towards national unity and integrity at the Vivekanand Global University. On this occasion, Dr. K.R. Bagaria, Vice Chairperson of VGU, unfurled the national flag which was followed by national anthem and patriotism cultural activities. Dr. K.R. Bagaria, encouraged the youth to fight against social evils that were curbing the nation's progress and urged them to be truthful and devoted to the cause of national integration. He conveys his wishes to VGU family and said that this great day remind us of the values and aspirations of our constitution makers. Various cultural programme based on patriotism were presented by the students, including dances and songs etc. VGU's Chairperson, Dr. Lalit K. Panwar and CEO of the university, Er. Onkar Bagaria and other dignitaries were also present on this occasion.

# OUR SPORTS STARS

## VICTORY VIBES

Team spirit, touchdowns, and triumphs at the Jaipur District American Football Championship 2023–24. VGU Victors Girls clinched the gold, while our boys secured the bronze at Poornima University. Proud moments all around

## Khelo Comedian League at VGU

Rewinding to the epic Khelo Comedian League at VGU, where cricket met comedy and we batted away stress with laughter. Memories of hilarious sixes and LOL moments are still echoing. The participants had shown their talent in cricket.

The aim of this event was to promote the spirit of unity, team leadership and brotherhood along with sportsmanship among the students of Vivekananda Global University.

VGU Pencak Silat Squads: Bringing the heat to the All India Inter University Championship. Excitement builds as we gear up for the showdown at Guru Nanak Dev University, Amritsar.

# BHAG VGU BHAG

*Blazing a trail of energy and turning the town red*

**VGUites won the AU Jaipur Marathon.**

Cheers to the vibrant spirit and endless fun that colored our run. Let the marathon magic linger

VGU hit the pavement together. Run, sweat, and achieve those goals. VGU Marathon brings together everyone and tied in harmony. More than 200 students took part in the Jaipur Marathon.

# वीजीयू मेगा प्लेसमेंट ड्राइव में 500 विद्यार्थियों को मिला जॉब ऑफर, कई मल्टी नेशनल कंपनियों ने दिया 10 लाख रूपए तक का सालाना पैकेज

विवेकानंद ग्लोबल यूनिवर्सिटी में 5 जनवरी से शुरू हुए दो दिवसीय मेगा प्लेसमेंट ड्राइव में भारत तथा विश्व की 100 से अधिक कंपनियों ने भाग लिया जिसमें 500 से अधिक छात्रों को जॉब ऑफर दिए गए। इस ड्राइव में कई छात्रों को 10 लाख रूपए तक का वार्षिक पैकेज का ऑफर दिया गया। प्लेसमेंट ड्राइव में 2000 से अधिक छात्रों ने हिस्सा लिया। मेगा प्लेसमेंट ड्राइव में आने वाली कंपनियों में मुख्य रूप से एयू स्मॉल बैंक, योकोहामा, आरएमसी स्विच गेयर्स, ग्री, स्पिनी, हाइक तथा रे पावर इंफ्रा शामिल थीं।

मेगा प्लेसमेंट ड्राइव के दौरान छात्रों ने अपनी संवाद कौशल, विषय गत ज्ञान तथा अपने सामान्य ज्ञान का कौशल पूर्वक प्रदर्शन किया और कंपनियों के एचआर मैनेजर्स काफी संतुष्ट नजर आए। एयू स्माल बैंक की उप प्रबंधक सुश्री अनुपमा वीजीयू के छात्रों के कौशल तथा ज्ञान से खासी प्रभावित नजर आईं। उन्होंने कहा कि विश्वविद्यालय के छात्रा में काफी प्रतिभा है और उनका भविष्य उज्ज्वल है। उन्होंने उम्मीद व्यक्त की कि उनका बैंक यूनिवर्सिटी के कई छात्रों को नौकरियां देगा। ट्रेवल कंपनी थ्रीलोफीलिया से आए चित्रांश ने भी वीजीयू के छात्रों की तारीफ की और कहा कि उनकी कंपनी ने कई छात्रों का चयन भी किया है। स्टूडियो वन फोर वन से आए विपुल वर्मा ने इस बात पर प्रसन्नता व्यक्त की कि विश्वविद्यालय अपने छात्रों के सर्वांगीण विकास के लिए सतत प्रयासरत रहता है। उन्होंने बताया कि विश्वविद्यालय के आर्किटेक्चर विभाग के

कई छात्र उनकी कंपनी में इंटरनशिप भी कर चुके हैं और मुझे अच्छा लगा कि हमारी कंपनी ने इस प्लेसमेंट ड्राइव में हिस्सा लिया। लगभग सभी कंपनियों के प्रतिनिधियों ने इस बात पर जोर दिया कि छात्रों को संवाद कौशल को बढ़ाने पर काम करना चाहिए तथा अपने क्षेत्र के अलावा अन्य क्षेत्रों की जानकारी रखनी चाहिए। विश्वविद्यालय के सीईओ श्री ओंकार बगड़िया ने बताया कि विश्वविद्यालय की यह लगातार कोशिश रहती है कि छात्र इंडस्ट्री की अपेक्षाओं पर खरे उतर सकें और इसके लिए संस्थान कई तरह के कार्यक्रमों का आयोजन करता रहता है। उन्होंने कहा कि हम 100 प्रतिशत प्लेसमेंट सुनिश्चित करने के लिए संकल्पित हैं। कार्यक्रम में मणिपाल यूनिवर्सिटी जयपुर, एमिटी यूनिवर्सिटी, जयपुर, जेईसीआरसी

यूनिवर्सिटी, जयपुर, तक्षशिला बिजनेस स्कूल, जयपुर, नेशनल यूनिवर्सिटी और जीएलए यूनिवर्सिटी, मथुरा जैसे विभिन्न संस्थानों से विवेकानन्द के संकाय सदस्यों के साथ एफडीपी में भाग लिया।

## केस स्टडी की उपयोगिता और प्रासंगिकता पर चर्चा:-

विवेकानन्द ग्लोबल यूनिवर्सिटी, में हार्वर्ड बिजनेस पब्लिशिंग द्वारा केस आधारित शिक्षाशास्त्र परिवर्तनकारी शिक्षण के लिए विकास कार्यक्रम का आयोजन किया गया जिसमें देश के विभिन्न विश्वविद्यालयों के 50 से अधिक शिक्षकों ने भाग लिया। कार्यक्रम में मुख्या संचालक के रूप में डॉ. अनिरुद्ध अग्रवाल, एसोसिएट प्रोफेसर, ओ.पी. जिंदल विश्वविद्यालय उने केस स्टडी की उपयोगिता के बारे में बताया।

## इलेक्ट्रिक वाहनों के मैकेनिज्म पर वीजीयू में कार्यशाला

साइकिल को इलेक्ट्रिक साइकिल में कन्वर्ट करके विद्यार्थियों को मैकेनिज्म से अवगत कराया। यूनिवर्सिटी के सीईओ इंजि ओंकार बगड़िया जी ने बताया कि यूनिवर्सिटी युवा एंटरप्रेन्योरशिप को प्रमोट करने के लिए समय समय पर ऐसी कार्यशालाओं का आयोजन करती रहती है। ताकि उन्हें व्यावहारिक ज्ञान मिले और वे तकनीकी रूप कैरियर को नया आयाम तक पहुंचें। डीन इंजीनियरिंग प्रो. बलदेव सिंह ने छात्रों को आज के युग के अनुसार अपने स्किल को बढ़ाएं और नवीनतम विधाओं से खुद को अपडेट रखें।

मैकेनिज्म से अवगत कराया। यूनिवर्सिटी के सीईओ इंजि ओंकार बगड़िया जी ने बताया कि यूनिवर्सिटी युवा एंटरप्रेन्योरशिप को प्रमोट करने के लिए समय समय पर ऐसी कार्यशालाओं का आयोजन करती रहती है। ताकि उन्हें व्यावहारिक ज्ञान मिले और वे तकनीकी रूप कैरियर को नया आयाम तक पहुंचें। डीन इंजीनियरिंग प्रो. बलदेव सिंह ने छात्रों को आज के युग के अनुसार अपने स्किल को बढ़ाएं और नवीनतम विधाओं से खुद को अपडेट रखें।

## 2025 तक भारत में लगभग 900 मिलियन इंटरनेट उपयोगकर्ता होंगे

इंटरनेट इन इंडिया शीर्षक वाली रिपोर्ट में कहा गया है कि वैश्विक कोरोना वायरस महामारी के कारण पिछले दो वर्षों में भारत में ऑनलाइन लेनदेन में 2019 में 230 मिलियन से 51 प्रतिशत की रिकॉर्ड वृद्धि देखी गई है।

इंटरनेट एंड मोबाइल एसोसिएशन ऑफ इंडिया द्वारा प्रकाशित एक रिपोर्ट के अनुसार, लगभग 346 मिलियन भारतीय ई-कॉमर्स और डिजिटल भुगतान सहित ऑनलाइन लेनदेन में लगे हुए हैं। आंकड़ों से पता चला कि यह संख्या डिजिटल लेनदेन में लगी कुल अमेरिकी आबादी से अधिक है, जो अनुमानित 331 मिलियन है।

रिपोर्ट में कहा गया है कि ग्रामीण और शहरी दोनों क्षेत्रों में पुरुष इंटरनेट उपयोगकर्ताओं की संख्या महिला उपयोगकर्ताओं से अधिक है। सोशल मीडिया, मनोरंजन और संचार शीर्ष तीन गतिविधियाँ हैं जिनमें पूरे भारत में इंटरनेट उपयोगकर्ता लगे हुए हैं। संचार के तहत, टेक्स्ट और ईमेल उपयोगकर्ताओं द्वारा सबसे लोकप्रिय उपयोग है, जबकि सर्वेक्षण यह भी बताता है कि आवाज और इंडिक भाषाओं का उपयोग भविष्य में विकास का प्रमुख संवाहक होगा।

रिपोर्ट के अनुसार, ओटीटी प्लेटफार्मों का उपयोग ग्रामीण भारत में शहरी भारत के बराबर है। हालाँकि, ऑनलाइन गेमिंग, ई-कॉमर्स, डिजिटल भुगतान की पैठ अभी भी देश में शहरी क्षेत्रों की ओर अधिक है। भारत में सक्रिय इंटरनेट बेस 2025 तक बढ़कर 900 मिलियन होने की उम्मीद है। 1759 मिलियन सक्रिय इंटरनेट उपयोगकर्ता हैं, जो महीने में कम से कम एक बार इंटरनेट का उपयोग करते हैं। 2025 तक यह संख्या बढ़कर 900 मिलियन होने की उम्मीद है। यह पहली बार है कि अधिकांश भारतीय सक्रिय इंटरनेट उपयोगकर्ता बन गए हैं। रिपोर्ट के अनुसार, 2023 के लिए भारत में 759 मिलियन सक्रिय

इंटरनेट उपयोगकर्ताओं में से 399 मिलियन ग्रामीण भारत से हैं, जबकि 360 मिलियन शहरी भारत से हैं, जो दर्शाता है ग्रामीण भारत में इंटरनेट के विकास को आगे बढ़ा रहा है। रिपोर्ट में यह भी कहा गया है कि भले ही 54 फीसदी पुरुष यूजर्स के साथ लिंग अंतर आजतक बना हुआ है, लेकिन खुशी की बात यह है कि 2022 तक सभी नए यूजर्स में 57 फीसदी महिलाएं थीं। अनुमान है कि 2025 तक सभी नए यूजर्स में 65 फीसदी महिलाएं होंगी, जो लैंगिक अंतर को दूर करने मदद करेंगी। भारतीय सोशल मीडिया प्लेटफॉर्म को अगले ई-कॉमर्स डेस्टिनेशन के रूप में तेजी से अपना रहे हैं।

# CREATIVE CORNER

यूँ ही नहीं बनता,

हर इंसान कामयाब

जिंदगी बहुत बड़ी है, इसे बेहतर बनाने में अपना ध्यान दें, अभी तू गीली मिट्टी है, इसलिए अभी खुद को सही आकार दे। खुद में कुछ खोट मत रख, दूसरों के लिए बुरी सोच मत रख, तुझे बहुत कुछ हासिल करना है, बस इसे ही ध्यान में रख। खुद से संकल्प ले और हद से गुजर जा, क्या चढ़ान और क्या पहाड़, धारा बनकर सबको ले के बह जा, तुझ में बहुत हिम्मत है मेरे दोस्त, चल आज कुछ तो कर गुजर जा। इस दुनिया में नाम यूँ ही नहीं बनता, हर इंसान कामयाब नहीं बनता। उसकी मेहनत उसे बनाती है, सभी महान हस्तियां उनके परिश्रम की वजह से जानी जाती है। तुझे भी उनमें से एक बनना होगा, सौ मुश्किलें आएँ तो क्या तुझे तो हजारों से भी लड़ना होगा, मरने के बाद लोग यूँ ही याद नहीं रखते, तुझे खुद को याद रखवाने के लिए लिखने लायक कुछ करना होगा।

पैदा तो बहुत से लोग होते हैं पर, तुझे उनसे अलग बनना होगा। सपने तो देख लेगा तू पर उनको पूरा भी करना होगा। बिना मेहनत के तो भगवान भी साथ नहीं देते, इसलिए तुझे बिना किसी की मदद के चलना होगा। खुद पर भरोसा रखकर तो देखा, हर मुश्किल से लड़कर तो देख चाहे लाख बार पीछे हट जाना, पर एक बार इस राह पर चलकर तो देख।

तनिष्क सिंह, बीएजेएमसी

बिटिया आज तो, एक क्लिक बनता है !

किन शब्दों में बयां करूं कि कितने खुशी के आसूँ बहाए हैं आज उस मां ने जो अपनी बेटी को सफलता प्राप्त करते देख रही है। फोन से उन लम्हों को फोटो में कैद करना है उन्हें। सभी रिश्तेदारों से बधाईयां सुन मिटाईयां बंटवाने की बातें कर रही हैं। उनकी बेटी ने आज विश्वविद्यालय से मेडल एवं डिग्री हासिल की। आज उसने अपनी मां को बहुत गर्व महसूस करवाया। स्टेज से उतरते ही बेटी ने मां को गले लगाया और अपना मेडल उन्हें पहना दिया ये कहते हुए कि आज वह जो कुछ भी है उन्हीं के आशीर्वाद से है। जरूर उनके बीच अभी यह बातें चल रही होंगी कि किन कठिनाइयों का

सामना करना पड़ा उस मां को जिसने अपनी बेटी को गाँव से दूर इतने बड़े शहर में भेजा, परिवार में बेटियों की शिक्षा को लेकर जो सवाल उठे उनको नकारते हुए अपनी बेटी का साथ दिया। आज ये सब उनके संघर्ष का परिणाम है। कोई आप पर विश्वास

करे ना करे आपकी मां हमेशा आप पर विश्वास करती है। 'बेटा आज तुमने कर दिखाया ये कहते हुए वे उसे शाबाशी देती रही और आगे भी सफलता प्राप्त करने का आशीर्वाद दे रही थी।'

-दिव्या मीना, बीएजेएमसी

आप खास हैं... इसे आप कभी न भूलें।

एक जाने माने वक्ता अपने हाथों में 500 रु. का नोट लिए सेमिनार हॉल में प्रवेश करते हैं। उस सेमिनार हॉल में लगभग 200 लोग बैठे हुए थे। उन्होंने 500 रु. का नोट सभी को दिखाते हुए पूछा कौन-कौन इस 500रु. के नोट को लेने की इच्छा रखता है। हॉल में मौजूद लोगों के हाथ धीरे-धीरे उठने लगे। उन्होंने कहा मैं आप ही लोगों में से किसी एक को यह 500रु. का नोट देने वाला हूँ, लेकिन पहले आप मुझे ये

कर लेने दीजिए। यह कहकर उन्होंने नोट को तोड़-मरोड़ दिया। उसके बाद उन्होंने पूछा इसे अब भी कौन लेना चाहता है। अभी भी लगभग सारे हाथ ऊपर थे। ठीक है, उन्होंने कहा। क्या छोटा अंगूर में ये करूं ये कहकर उन्होंने 500रु. के नोट को फर्श पर गिरा दिया और उसे अपने जूते से रगड़ने लगा। कुछ देर बाद उन्होंने उसे दुबारा हाथ में लिया, लेकिन अब वह नोट गंदा हो गया था। फिर उन्होंने लोगों से पूछा इसे अब भी कौन लेना चाहता है। इस बार भी लगभग सभी लोगों के हाथ खड़े थे। आज आप सभी ने बहुत ही बहुमूल्य चीज सीखी। इससे कोई फर्क नहीं पड़ता कि मैंने इस नोट के साथ क्या किया।

आप इसे अब भी लेना चाहते हैं, क्योंकि इससे अब भी इसका मूल्य घटा नहीं है। यह अब भी 500 रुपए का ही है। यही चीज हम सभी के साथ होती है। कई बार हम अपने जीवन में गिरते हैं, कठिनाइयों से लड़ते थक जाते हैं। अपने गलत निर्णयों से भारी मुसीबतों का सामना करते हैं। इन सारी परिस्थितियों से जूझ कर हम अपने आपको मूल्यहीन और बेकार समझने लगते हैं, लेकिन इसका कोई अर्थ नहीं है कि हमारे जीवन में क्या हो चुका है और भविष्य में क्या होगा, आप अपना महत्व कभी नहीं खो सकते। आप खास हैं, इसे आप कभी न भूलें।

वीजीयू टाईम्स

घर पर तो भूख से एक रोटी ज्यादा बिन खिलाए नहीं मानती मां

हफ्ता भर मैं नाश्ता नहीं करता यहां मैं भूख को नहीं जानता और भूख मुझे जानती ही नहीं। सब को है खुद ही से मतलब कोई किसी के बारे में सोचता ही नहीं तुम कैसे हो, ठीक तो हो? मां, यहां कोई मेरा हाल पूछता ही नहीं। है ये शाम कितनी बे-तपाक बे-करारी दिल से अब जाती ही नहीं ये दूरियां हैं कितनी दर्दनाक मां, मुझे रात में नींद आती ही नहीं। पर अब जो आया हूँ इस शहर में है जुनून कि कुछ करके जाऊंगा, मैं हॉस्टल जाऊं तो रोना मत मां मैं लौट के जल्द आऊंगा।

उम्मीदों के परों से, मैं परिंदा यहां उड़ने आया हूँ। है सब कुछ मेरा अब मुझसे परे, मैं घर से बहुत दूर आया हूँ। है दरखास्त मेरी वार्डन से, यूँ चिल्लाया न करो, ये डांट, इस नाजुक दिल में दर्द की लौ जलाती है। यहां पोंछने पड़ते हैं आंसू खुद से घर पर तो मां ही डांटती है और मां ही चुप कराती है। भूख से एक रोटी ज्यादा, बिन खिलाए, मां मानती ही नहीं

समर्थ शांडिल्य, बीएजेएमसी

ये भूख है सम्मान की और स्वाभिमान की

एक राव की यू गूजती आवाजें है लाखों इन सवालियों की, क्यूँ उसके ही हाथों में बेड़ियां हैं, आज भी क्यूँ उसकी ही राहों में भेड़ियां हैं। आज भी क्यूँ अग्नि में जलती अकेली ही वो, आज भी क्यूँ राहों पे कांटे बिछे हैं उसके आज भी क्यूँ लाखों के ताने मिले हैं। उसे आज भी क्यूँ अपने ही नाम का हक नहीं, आज भी क्यूँ देती है वो प्रमाण अपनी पवित्रता का, आज भी क्यूँ सहने से चुप हो जाती है वो, आज भी क्यूँ सहती है वो ताने समाज के। क्यूँ औरत का जन्म ही एक श्राप है एक पाप है, क्यूँ पीढ़ियों से चल रहा ये ही एक अभिशाप है। क्यूँ औरत ही है एक परछाई इस समाज की, क्यूँ औरत ही बन जाती बाजी एक दांव की, क्यूँ औरत ही बन जाती काशी

एक राव की यू गूजती आवाजें है लाखों इन सवालियों की, क्यूँ उसके ही हाथों में बेड़ियां हैं, आज भी क्यूँ उसकी ही राहों में भेड़ियां हैं। आज भी क्यूँ अग्नि में जलती अकेली ही वो, आज भी क्यूँ राहों पे कांटे बिछे हैं उसके आज भी क्यूँ लाखों के ताने मिले हैं। उसे आज भी क्यूँ अपने ही नाम का हक नहीं, आज भी क्यूँ देती है वो प्रमाण अपनी पवित्रता का, आज भी क्यूँ सहने से चुप हो जाती है वो, आज भी क्यूँ सहती है वो ताने समाज के।

बस्ते के बोझ में यूँ गुम होता बचपन...

उम्र 5 साल पीठ पर बड़े से बस्ते का बोझ, आंखों पर चश्मा, गले में लटकती पानी की बोतल, मुरझाया चेहरा, सुबह 5 बजे उठना, तैयार होना और स्कूल जाने की जल्दी में आधा अधूरा नाश्ता, स्कूल से वापस घर, घर पर ट्यूशन, ट्यूशन के बाद होमवर्क और प्रोजेक्ट। यही है आज के बच्चों का बचपन। जिस उम्र में बच्चे दादा-दादी की कहानियों के माध्यम से खेल खेल में नैतिक शिक्षा और प्रारंभिक विषय का ज्ञान सीखते थे। उसी को आधुनिक शिक्षा के नाम पर आज बच्चों के लिए

बोझ बना दिया गया है। मोटी फीस वसूलने वाले स्कूलों पर बेहतर शिक्षा का प्रभाव जमाना कहते हैं, लिहाजा अलग-अलग किताबों और कापियों का अलग अलग किताबों और कॉपियों का बोझ बच्चों पर बढ़ता जाता है। रामदीन दिल्ली के मोहन नगर में ठेले पर सब्जी बेचते हैं,उनका बच्चा पास के पब्लिक स्कूल में दूसरी कक्षा में पढ़ता है। रामदीन बताते हैं कि स्कूल वाले सरकार द्वारा निर्धारित किताबों के अतिरिक्त कई प्राइवेट किताबें भी लगती हैं जिन्हें मजबूरी में महंगे दामों में खरीदना पड़ता है।

वास्तव में अलग-अलग प्राइवेट किताबों के पीछे स्कूलों की कमीशन खोरी का भी मामला है, जिसे सरकार को देखना चाहिए। इस तरह से आज न केवल बच्चों का बचपन छिन रहा है, बल्कि बहुत से बच्चे कम उम्र में ही अवसाद के शिकार हो रहे हैं बच्चों में भावनात्मक संतुलन और के शिकार हो रहे हैं। बच्चों में भावनात्मक असंतुलन और चिड़चिड़ापन आम बात हो गई है। मना. वैज्ञानिकों का मानना है कि बच्चों के बचपन की हत्या करने में स्कूलों के साथ-साथ मां-बाप का भी हाथ है। मां-बाप अपने अधूरे सपनों को बच्चों के माध्यम से पूरा करना चाहते हैं। कई बार अभिभावक बच्चों की पढ़ाई को स्टेटस सिंबल से भी जोड़कर देखते हैं। इससे बच्चों पर न केवल मानसिक दबाव पड़ता है, बल्कि बच्चा खुद की खूबियों को पहचानने की बजाय दूसरों की नकल करने लगता है। वास्तव में बच्चों पर बढ़ते बस्ते का बोझ और उनके गुम होते बचपन के लिए आधुनिक शिक्षा व्यवस्था, स्कूल और मां-बाप सभी जिम्मेदार हैं। इससे हम स्वस्थ सुरक्षित नहीं बल्कि भावनात्मक रूप से असंतुलित पीढ़ी को जन्म दे रहे हैं।

# Science and Technology

## ISRO's START 2024 Program to Inspire Youth in Space Science

The Indian Space Research Organisation (ISRO) will conduct the Space Science and Technology Awareness Training (START) 2024 program during April and May. ISRO is inviting Expression of Interest (EOI) from educational institutes, universities, and colleges within India offering UG and PG courses in physical sciences and technology to host START-2024.

### Objectives of the START Program

- The main objective of the training program is to attract youngsters to the fields of space science and technology.
- The training modules will cover introductory-level topics on various verticals of space science and technology, including Indian space exploration programs and research opportunities.

**Eligibility Criteria** -Post-graduate students and final year undergraduate students studying physical sciences (Physics and Chemistry) and technology (Electronics, Computer Science, Mechanical, Applied Physics, Radiophysics, Optics & Opto-electronics, Instrumentation, and other associated subjects) in institutes within India are eligible to apply. Student registration opens on April 8 and ends on April 12.

## Vimarsh 2023 5G - Hackathon

The Vimarsh 2023 5G Hackathon, a collaborative effort between Telecom Centres of Excellence (TCoE) India under the Department of Telecommunications (DoT) and the Bureau of Police Research and Development (BPR&D), Ministry of Home Affairs (MHA), aimed to revolutionize Law Enforcement Agencies (LEAs) operations. This initiative sought to explore groundbreaking solutions and promote innovation within the law enforcement domain. In the final phase of screening, was held at the IIT Madras 5G Testbed on 21st and 22nd February 2024, 22 out of 23 startups and institutes showcased their

Use Case Proof of Concepts (PoC). Esteemed Jury Members from various institutions evaluated the presentations, both physically and virtually. The Jury meticulously assessed a variety of innovative solutions, including Automated drones for surveillance, AR/VR applications in law enforcement, Surveillance & Investigation tools, Evidence collection technologies, Emergency response systems, Intelligent Traffic Management solutions, 5G metadata analysis techniques, Geo-fencing applications, and AI-based FIR filing systems.

## India's Woman Robot Astronaut "Vyommitra" will fly into Space

In a pioneering leap for India's space endeavors, Vyommitra, the woman robot astronaut developed by the Indian Space Research Organisation (ISRO), is set to embark on an uncrewed mission in the third quarter of this year. The mission, named after the Sanskrit words "Vyoma" (Space) and "Mitra" (Friend), signifies a significant stride towards the ambitious Gaganyaan mission, the country's maiden manned space flight, slated for 2025. Vyommitra, equipped with advanced capabilities, is designed to monitor module parameters, issue alerts, and execute life support operations. This female robot astronaut simulates human functions in the space environment, interacting seamlessly with the Life Support System.

## Swedish Scientists Create 'E-soil' that accelerates Plant Growth

A groundbreaking development in agricultural technology has emerged from the laboratories of Linkoping University in Sweden. Scientists have unveiled an electrically conductive "soil" engineered to foster exceptional growth in crops, particularly barley seedlings, marking a potential 50 per cent surge in growth within a mere 15-day period.

- This innovative soilless cultivation method, termed hydroponics, harnesses a sophisticated root system activated through a novel cultivation substrate. With hydroponics, the prospect of cultivating food in urban landscapes under meticulously controlled conditions becomes a tangible reality.
- Linkoping University's Prof. Stavrinidou highlights the crucial importance of their breakthrough amidst global challenges, stating, "Growing world population and climate change show existing agricultural methods .

## Navigating the future

### Changing Trends in the Education System in India

With pacing technology and lifestyle changes, the norms of living have been highly affected. Changes are constant we always need to adapt to them we need to be prepared, change, and prosper. The change ensures that there is a safe space for every student to learn and they can all move together. Education trends are changing even faster. Education is the basic right of every child and it is important to understand the changing trends in the education system. Education is the process of acquiring knowledge, skills, values, and attitudes through various forms of learning. It can take place in a variety of settings, including schools, universities, vocational training institutions, and online platforms. Education is crucial for personal development, socialization, and economic progress.

- 1. Digital Integration in Early Learning:** With the increasing penetration of the internet and smartphones, digital learning is becoming more prevalent. Expect a surge in digital tools and platforms tailored for young learners. Interactive apps and online resources will support foundational literacy and numeracy skills, catering to the developmental needs of early learners.
- 2. Regulations around Early Childhood Education:** The New Education Policy (NEP) 2020 is set to bring substantial changes, emphasising vernacular languages, holistic, multidisciplinary & inclusive education, and an experiential learning curriculum. The implementation phase will likely see innovative teaching and learning practices being adopted widely.
- 3. Blended Learning Models:** Schools will likely continue to integrate online learning with traditional classroom teaching, offering a more flexible and personalized education experience. This could include using AI to tailor learning paths or offering more online resources and virtual classes.
- 4. Curriculum Emphasizing 21st-Century Skills and Mental Health Awareness:** Expect a shift in curriculum to more heavily

emphasize environmental consciousness, entrepreneurship education project-based and experiential learning to better prepare students for the modern world. Schools might integrate skill development programs, career guidance and college counselling to better prepare students for their lives ahead.

**5. Expansion of Skill Development Programs:** Expect an increase in government and private initiatives aimed at expanding vocational training and skill development programs, especially in rural and underserved areas, to improve employability and bridge the skills gap.

As the job market continues to evolve, vocational education might offer more opportunities for upskilling and reskilling, supporting lifelong learning pathways.

**6. Growth of EdTech Platforms:** The EdTech sector in India is expected to continue its rapid growth, with more platforms offering a wide range of learning materials, from P-12 (Playgroup to Grade 12) to professional development courses, using interactive and personalised learning methods.

There's an emerging trend towards self-publishing in the educational content space, with educators and experts creating and sharing their own materials directly with learners.

## Empowering Indian Startups in AI, Microsoft and iCreate Launch iMPEL-AI Program

The collaboration between Microsoft and iCreate to launch the iMPEL-AI (iCreate-Microsoft program for Emerging Leaders in Artificial Intelligence) program marks a significant milestone in India's quest to harness the power of Artificial Intelligence (AI) for economic growth and innovation. This article provides a detailed analysis of the initiative and its potential impact on the Indian startup ecosystem.

The partnership between Microsoft, a global leader in technology, and iCreate, a renowned institution for fostering innovation, is a testament to the

growing importance of AI in driving economic growth and societal progress. By joining forces, the two organizations aim to empower AI innovators and startups across India, providing them with the necessary support and resources to thrive in a rapidly evolving landscape. The iMPEL-AI program is designed to screen 1100 AI innovators across India, identifying them as AI Most Valuable Players (MVPs).

## India To Initiate Satellite Based Tolling On Mysuru-Bengaluru Expressway

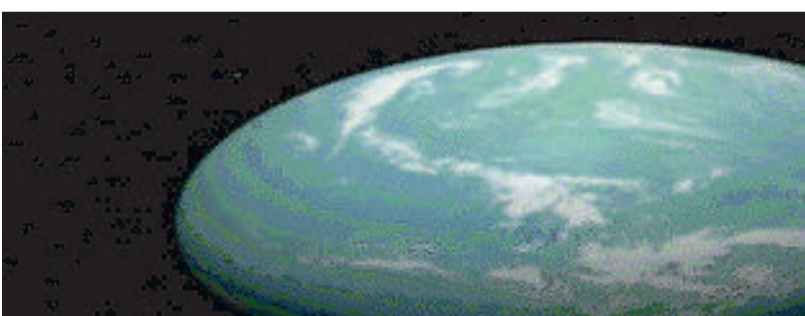

In a development announced by India's Transport Minister Nitin Gadkari, the nation is set to embark on testing (Global navigation satellite system) GNSS-based toll collection on the Mysuru-Bengaluru Expressway. This move underscores the government's commitment to leveraging technologies to modernize infrastructure and improve transportation systems.

The GNSS-based tolling system marks a departure from conventional toll collection methods, offering a seamless and efficient alternative. Unlike toll gates, which necessitate vehicles to halt for payment, GNSS technology enables precise positioning of vehicles, allowing tolls to be calculated based on the distance traveled on the highway.

- This facilitates uninterrupted movement and ensures fair tolling by considering road usage.
- One advantage of GNSS-based tolling lies in its economic feasibility. By accounting for the total distance traveled, this system eliminates the need for physical toll booths and associated infrastructure, thereby reducing operational costs.
- Moreover, it promises to significantly reduce congestion at toll plazas, minimizing travel time and enhancing efficiency.

## Super-Earth in the Habitable Zone

NASA's Transiting Exoplanet Survey Satellite (TESS) has made a significant discovery—a super-Earth located in a habitable zone, offering tantalizing possibilities for the conditions conducive to life. This discovery sheds light on the diversity of planets in our universe and the potential for habitable worlds beyond our solar system. The newly discovered exoplanet, named TOI-715 b, is situated in a solar system 137 light-years away from Earth. In cosmic terms, this distance is relatively close, offering astronomers a valuable opportunity for detailed study. TOI-715 b stands out due to its size and composition; it is approximately 1.5 times the size of Earth and is primarily rocky.

## Igniting Innovation: VGU's Masterclass Unleashes Techpreneurial Potential

VGU, Recently hosted an exhilarating Masterclass on web application development, showcasing the institution's commitment to fostering innovation. Organized by the dynamic Decoller Club, an entrepreneurship hub within VGU, in collaboration with WsCube Tech, Jaipur, the event proved to be a revelation for aspiring tech entrepreneurs. Under the guidance of the indomitable Bhagirath Giri, Entrepreneur and Director of WsCube Tech, participants embarked on a transformative journey into the intricacies of web application creation using core technologies. Bhagirath's wealth of experience provided invaluable insights, empowering attendees to harness the power of technology and unleash their creative potential. The presence of esteemed guests, including Prof. (Dr.) Manish Shrivastava, HoD of Computer Science and Technology, further elevated the event's significance. Prof. Shrivastava's expertise and support added a layer of prestige to the proceedings, underscoring VGU's dedication to nurturing innovation and excellence. In recognition of the instrumental role played by the Decoller Club in organizing the event, the WsCube Tech Team expressed their heartfelt gratitude to the club's President. As a gesture of goodwill, tokens of appreciation were presented to the President of Decoller Club, the Dean of Student Welfare, and the HoD, symbolizing the spirit of collaboration and camaraderie that characterized the Masterclass

. However, the impact of the Masterclass extended far beyond the confines of the event venue. For the tech-savvy minds in attendance, it served as a catalyst for inspiration and transformation. Equipped with newfound knowledge and skills, participants emerged ready to tackle the challenges of the digital age with confidence. The Masterclass provided them with a springboard to pursue their entrepreneurial ambitions, empowering them to navigate the ever-evolving landscape of technology and innovation. As the curtains closed on this extraordinary event, it became evident that the future of tech entrepreneurship at VGU is brighter than ever.

. With the Decoller Club leading the way, there are no limits to what our students can accomplish. The Masterclass was not only a learning opportunity, but also a celebration of creativity, ingenuity, and the endless possibilities

that lie ahead. In the vast tapestry of VGU's academic journey, the Masterclass shines as a beacon of innovation and collaboration—a testament to the university's unwavering dedication to excellence in education and entrepreneurship. As we bid farewell to this unforgettable chapter, we eagerly anticipate the next phase of VGU's quest for technological supremacy. The stage is set, the vision is clear—let the transformation commence. In the words of Steve Jobs, "Innovation distinguishes between a leader and a follower." With an unwavering spirit of innovation flowing through its veins, VGU stands at the forefront of the entrepreneurial revolution, inspiring future generations. Tech enthusiasts, entrepreneurs, and visionaries alike—come together and ignite the flames of innovation. The stage is set, the journey begins. Welcome to the future of tech entrepreneurship at VGU. Embrace the Revolution.

## LIFE CAMERA AND ACTION...

This generation is a hardcore movie lover, and many of them wish their lives were one movie too.

Well! Let's take ourselves as the main characters because obviously it's our life, so we got to be the main characters and tell the story of our lives. So now we need a cameraman, producer, director, and the whole cast, but why not use something more powerful and valuable than these things, which is our imagination? Getting older is basically an enhancement of our imagination, which means our imaginations change along the way. During this process, we forget to open up our hearts and minds so that our lives can become more exciting and fun. Not every time you have to just puff up your chest and imagine yourself as God,

but instead feel good about yourself, knowing that yes, your life deserves a movie. You just continue to do the same actions and get the same results; instead, why not change your actions and see new results? That is what our topic talks about: "Life, Camera, and Action." Just expressing or saying what's inside your heart and mind can actually

change it either, but maybe looking forward to what should be done next in the scene and using the most valuable tool that is our imagination will. Let's enact and think about something stupid, which actually becomes some kind of comedy, to give this movie a dramatic contrast.

Creating the movie, you want to get all the emotions in one, and for that, you have to do something different and unexpected. If

your life is one short scene on repeat then you just have to hit the fast forward button and skip ahead to something more exciting.

Start thinking of your monotonous tasks as something to montage, which means putting together what you do for yourself, whether it is dull, exciting, adventurous, fun, or with loads of ups and downs. You singing a tune to yourself and playing some music while being busy with daily chores—isn't it one of the best times where you are also doing what you feel happy about?

So basically, the main idea here is that, whether you believe in free will or not, whether you know where it's going or not, you have just one way to truly experience your life: live it one moment at a time. Learning to move forward no matter how bad things go wrong, just get these scenes, get in action, and look forward. No movie is made entirely of one scene with the main character just crying and being gloomy the whole time or one scene where the main character just smiles happily, counting the amount of money he or she has. Get up, get the next scene ready, and it's up to you what your next scene will be.

# VGU IN PICTURE

From first aid to disaster response: From first aid to disaster response, the SDRF workshop empowered us to be safety guardians. Inspired and ready to make a difference.

7 days, countless stories of impact. We cleaned, we connected, we cared. From 'Cleanliness Drive' to 'Apna Ghar Aashram' visit, culminating in a day of free Medical Checkups, our NSS journey radiates empowerment. Today, we close this chapter with gratitude and a commitment to making change happen.

VGU volunteers visited the adopted villages Barala and Rampura Bas under the Unnat Bharat Abhiyaan (UBA) Scheme. Engaging in a Gram Sabha there, they met with members of Panchayat Samiti, Schools, Aanganwadi, Asha Sahiyogini, and PHC, as well as the youth, elderly, women, and children.

Empowering Barala Village with a 7-Day Special Camp! In camp various events were organized including a poster competition in which showed their creativity.

Exploring the realms of justice: VGU's Law students visited the High Court to immerse themselves in the intricacies of civil and criminal procedures during a visit to the Hon'ble Rajasthan High Court (Jaipur Bench) on February 8, 2024.

## Grand Alumni Meet 2024 at VGU

Jaipur.Vivekananda Global University (NAAC A+ accredited) hosted a spectacular Grad Gala and Alumni Meet 2024, creating a night to remember for graduates spanning from 2008 to 2023. The event was a grand celebration of achievements, shared memories, and the unveiling of a significant emblem for the VGU Alumni Association. The evening commenced with a sense of excitement as the curtains were drawn to reveal the new VGU Alumni Association logo. The symbol, designed to reflect unity and solidarity among VGU graduates, marked a historic moment that resonated with alumni, reminding them of the strong bond they share. The VGU registrar, Dr. Praveen Chaudhary, set the tone for the evening with a warm welcome speech, extending his heartfelt gratitude to the alumni for gracing the occasion. Er. Onkar Bagaria, the CEO of VGU, said, "Today, I'm delighted to witness the unveiling of the VGU Alumni Association logo and celebrate our graduates. I urge all alumni to join the association, help each other with education and needs, and take initiatives to open more chapters.

If we unite, we have the potential to create a network that spans the entire country and various professions. Your active participation will contribute to the continued success and growth of our alma mater." He further highlighted, "Today, we have 16,700 alumni in the VGU Alumni Association.

Fight against financial crimes: VGU students are campaigning to fight against financial crimes. Their survey on awareness is a step towards a safer, more informed community.

Nurturing intellect and dialogue at Youth Parliament: Delving into the theme 'Uniform Civil Code: Balancing Tradition and Modernity' with participants from Kanoria, Subodh, Maharani colleges, and our own Vivekananda Global University. Gratitude to Chief Guest Mr. Ramcharan Bohra, MP, and Special Guest Ms. Nanda Dagla, BJP Haryana State In-charge.
